

Baseboard paint 1137

Colour NCS S 0502-Y, semi-gloss

A one-coat covering spray paint for wood and metal surfaces, suitable for baseboards as well as window and door frames.

Shake the can for about 3 minutes before use. Spray from a distance of about 20 cm in several thin layers. Clean the nozzle after use by turning the can upside down and pressing the nozzle until only propellant comes out of the can.
