

POWER ACTIVE, 2112

Power Active is a high pressure, forming a pinpointing spray, quickly drying, solvent based, residueless cleaner. Solves and removes grimy oil, grese, resin, and silicones. Can sprays in every position at any angle, even upside down. Evaporates quickly and does not leave any film. Spray richly to a target, let work, dry of wipe off. Repeat procedure if needed. Use in brakes, clutches, machines, engines, mountings, transmissions, as a degreaser before painting, in tools etc. Warning: May harm some plastic and rubber grades.
