STAINLESS STEEL CLEAN, 4450

Efficient NSF-approved product for cleaning and care of stainless steels. Removes dust, fingerprints, oil and light limestone and rust residues from brushed and polished stainless steel surfaces. Can be used in the food industry and in kitchens. Dries quickly leaving a glossy protective film that prevents contamination. Reduces accumulation of dust. Printed or etched writing surfaces do not dissolve away. The product is free from silicone and solvents. Neutral scent. Suitable besides stainless steel, can also be used on aluminium, chromium and other soft metal surfaces, ceramic surfaces, glass, plastic and wood surfaces.
