WELDING SPRAY, 2600, 2615, 2610, 2616, 2617

Traditional easy-to-use welding spray, which prevents weld spatter from sticking to workpieces, the surrounding area and to nozzles. The product is based on vegetable oils and silicone-free. Provides effective protection already with a thin layer. Suitable especially for porous iron types, such as cast iron.

Article number	Package size	Package	Batch/PCS	UN-code	EAN-code
